ABOUT
WOMANACT

WomanACT is a leading non-profit organization dedicated to creating a society where women and gender-diverse individuals can live free from all forms of violence, including intimate partner violence and gender-based violence. By working collaboratively with the community and its members, WomanACT drives systemic change through impactful research, education, and advocacy.

WHY SUPPORT
THE SOUL OF A WARRIOR AWARDS?

WomanACT invites you to become a sponsor or donor of the 2027 Soul of a Warrior Gala—Toronto's signature event honouring the frontline heroes who are transforming the landscape of gender-based violence support in our city.

These professionals—counsellors, advocates, legal and family support workers, and more—stand shoulder to shoulder with survivors, guiding them through crisis, advocating for their rights, and building safer communities.

Award Categories:

- Innovation in Action Award
- Survivor Advocate Award
- Indigenous Healing Pathways Award
- Children's Champion Award

DID YOU KNOW?

44% of women and girls who had ever been in an intimate partner relationship reported experiencing some kind of abuse.

(Statistics Canada, 2021)

They are not just statistics—they represent our friends, colleagues, and loved ones. The need for courageous, skilled, and compassionate frontline workers has never been greater.
